## BEDDING SETS

Product Features: There are hand holes on both sides of the duvet cover, which is easy to disassemble and assemble the quilt. The four corners of the duvet cover have straps to fix the quilt, so that the duvet and the duvet cover are more fit. Folded edges of different sizes at the top and bottom of the sheet to differentiate direction. And an all-around elasticized fitted sheet for a better fit. The pillowcase with 5cm broad edges can closely wrap the pillow core and make the pillow firm and full, as well as more decorative.
